Ernst Zollinger, MBA, MA, MS
Senior Strategy Partner

Clients: Executives, Leaders & Entrepreneurs, Board of Directors

Focus: Strategy Development & Deployment, Business Integration, Change Management and Global Stakeholder Network Development

Context: Business Development & Company Alignment, Change & Integration Management, Global Account Management

Philosophy: "Look for those opportunities - now - in times of disruption"

My Approach: I believe that mutual and joint clarity in aspirations and intentions generates the best strategy deployment into action for results. A dynamic balance of challenge, support and alignment enables a deeply engaged dialogue, thus, creates commitment and drive for future growth. This allows to unlock new potential through impact of conscious behavior with purposeful intensions.

I focus on solid and value creating stakeholder relationship management, enabled by strategic vision, through customer-oriented dialogue, negotiation and mediation. It is my goal to help you generate the ideas, intentions and action plans for that sustainable "delta growth".

Experiences & Qualifications: I bring a combination of successful global business leadership experiences, as senior top executive in large global organisations, in combination with long-term practice of C-Level and Board Level appointments. My strong analytical skills and outstanding competencies in synthesizing, integrating complexity and in facilitating sense making, allow me to reliably help you focus on the core essentials and to drive change as a transformative leader.
